UKMTO has received a report of an incident 85NM south of Balhaf, Yemen.

The Master of a tanker had reported a small craft approached the vessel on the port quarter at 2NM.
The small craft was described as having a low freeboard and orange interior with 4 POB. The small craft has now left the vicinity proceeding south. The crew are reported as safe and the vessel is continuing on its voyage.

Authorities are investigating.

Vessels are advised to transit with caution and report any suspicious activity to UKMTO.
