

UKMTO WARNING

121-26 - ATTACK

Report Date:

25 Aug 2026

Report Time:

1730UTC

Issue Date:

27 Aug 2026

Source

Local Authorities

UKMTO has received a report of an incident in the Strait of Hormuz.

Local authorities have reported a tanker has been hit by an unknown projectile causing fire to the vessel which has since been extinguished.

All crew are reported as safe and accounted for and there has been no report of environmental impact.

Authorities are investigating.

Vessels are advised to transit with caution and report any suspicious activity to UKMTO.
