

UKMTO WARNING

122-26 - ATTACK

Report Date:

29 Aug 2026

Report Time:

2053UTC

Issue Date:

30 Aug 2026

Source

Military authorities

UKMTO has received a time-late report of an incident 12NM north of Khasab, Oman.

A tanker has been struck by an unknown projectile whilst transiting inbound in the Strait of Hormuz.

No casualties or environmental impact are reported at this time.

Authorities are investigating.

Vessels are advised to transit with caution and report any suspicious activity to UKMTO.
