Weekly Report
21 – 27 May 16

INCIDENT DISPOSITION	IN THIS ISSUE
----------------------	---------------

Command Overview

1. No significant events to report this week. The changing weather conditions off Somalia and southern Arabian coasts have no doubt played a part in deterring/disrupting small boat activities as the South West Monsoon season shows signs of setting in.
2. The Contact Group on Piracy off the Coast of Somalia (CGPCS) will convene in Victoria, Mahe, Seychelles from 31 May 16 – 3 Jun 16 for the 19th Plenary session. Further details and full plenary programme (once confirmed) can be found on the [Lesson's From Piracy](#) web-site.
